SPECTATOR TICKETS

Due to social distancing restrictions as well as the capacity of this venue, it is necessary that there are limits on tickets sold. ***Each session of the event has been carefully programmed based on the exact number of athletes in those teams during that session.*** For this reason, as well as meeting the COVID Safe criteria for contract tracing, tickets will only be available pre-sale via Trybooking.com.

IMPORTANT:

- Athletes are **only** permitted to participate in the session that they are competing in. Athletes must leave the venue once their session has completed.

There is no allocated seating at this venue, all seating is general admission – first in first served basis.

Children under 2 years of age may attend with a ticketed adult, however they will not take up a physical seat.

Tickets will be available per session only. E.g. If you have children across multiple sessions, you will need to buy separate tickets for the relevant sessions.

- ***Tickets will be available online from Monday 24th May @ 3 PM***
- ***Tickets will close on Thursday 3rd June @11:59 PM***

There will be limited ticket sales available at the event, however this will be based on the allocated seats which are available on the day.

SPECTATOR TICKETS: ***$15.00 per session***

To ensure all families are given an equal opportunity to watch their children, ***a limit of 1 - 2 tickets per athlete*** is highly suggested. Although regrettable, this allows us to meet capacity requirements whilst being fair to all families involved. We appreciate your understanding and cooperation in respecting this ruling.
