INTRODUCTION

FISAF Australia Super Series

FISAF Australia's Super Series events kick off the annual FISAF Sport Aerobics competition season each year.

These events are designed to provide athletes with an opportunity to perform on stage for their first time each season, and receive feedback from the judging panel.

Feedback is helpful in preparing athletes to improve their performance ahead of the State Championship events which are qualifying events for the National Championships.

FISAF Australia prides itself on providing professional, safe events where participants can compete in a fun and exciting environment.

This year we are delighted to offer Super Series events in:

- [Coffs Harbour \(NSW\)](#)
- Melbourne (VIC)
- Adelaide (SA)
- Gladstone (QLD)
- Newcastle (NSW)
- Brisbane (QLD)

LOCATION

Coffs Harbour, locally nicknamed Coffs, is a coastal city in mid-north New South Wales, 540km north of Sydney, and 390km south of Brisbane.

It is one of our favourite competition locations because of its small beach town feel, its wonderful cafes and restaurants, and the competition venue is close to so many accommodation options.

Sportz Central is where the competition is being held this year, as it has been for many years. As we ease into the competition season, this venue serves as a soft opening, with its casual vibe, and central location.

We encourage all visitors to the region to take advantage of the many wonderful aspects that Coffs Harbour has to offer.

Visit the beaches, check out the cafes and restaurants, visit the world-renowned Big Banana and other fun tourist attractions that delight our members enjoy, year after year.

ACCOMMODATION

Breakfree Aanuka Beach Resort ★★★★★

11 Firman Drive, 2450 COFFS HARBOUR (10 mins drive from the comp)

This relaxed, tropical style beachfront resort features four pools, tennis courts, children's playground and BBQ area.
