As teams are awarded placings, athletes are to carefully & quickly, walk onto the stage area to collect their medals & pose for any photos. Athletes are to then quickly return to their seats.

If changes to the presentation process are required on the day, coaches will be notified prior. If you have any questions regarding this process during the event, please speak with event staff.

Please Note: Presentations may take up to 30-45 minutes, following the judge review.

We kindly ask that all clubs/schools, athletes & parents, move away from the stage/court area swiftly so the FISAF team can prepare for the next session
- Ultimately, we will leave it up to each club/school to decide on the best method for meeting your parents at the conclusion of presentations
- Please ensure you communicate your exit plan and pick up procedures with your school/club parents, prior to the day, and again when they drop their child at the registration time.

ATHLETE BELONGINGS

It is highly recommended that athletes do not bring anything unnecessary or anything of value to the event. Should your athletes have belongings with them at the event (small bags, water bottles, jumpers etc.), we suggest each club/school is to bring a large tub/bin, clearly labelled, that athletes can place their belongings in as they head backstage.

Should you have any further questions, feel free to contact us otherwise we look forward to seeing you there!
