During this event, there will be other non-FISAF activities running simultaneously at the venue. This means that there will be people inside the venue who are **NOT** there to be part of our event. This may include (but is not limited to) other athletes, spectators, staff, and members of the general public. FISAF Australia does not have exclusive use of facilities such as toilets, food vendors etc.

FISAF Australia is **NOT** responsible for the supervision of children in and around the venue throughout the event. It is **strongly recommended** that coaches provide extremely clear instructions to parent/carers and athletes regarding drop-off and collection times, and procedures related to supervision expectations and responsibilities.

Only FISAF Australia staff, registered athletes and coaches are permitted into warm-up and backstage areas. At no time are parents/carers and other persons permitted in these areas at any time throughout the event. In the event that a parent/carer needs to get an item to their child in these areas, they must ask a FISAF staff member to organise this with the child's coach.
